THE EMERGENCY MEDICAL SERVICE MEMBERSHIP PROGRAM

The Emergency Medical Service (EMS) Membership Program offers Burbank residents an affordable means of paying emergency medical services and ambulance transportation costs not covered by health insurance.

If you join the EMS Membership Program, all permanent residents of your household receive at no additional cost: emergency medical services and transportation provided by Burbank Fire Department Paramedics within the City of Burbank.

Since some insurance plans do not cover emergency care or transportation costs, contact your insurance company to determine your exact coverage.

There are two ways to pay for the EMS Membership Program:

- If you receive a Burbank Water & Power bill, have \$5 per month added to your bill.
- Pay the annual fee of \$60 by check.
